TR3C is a post-secondary institution that provides practical learning, outstanding programs, experienced professors, and a path to career success. For this two-month program, you will begin on December 1st, 2025, and conclude on January 30th, 2026. It is a self-paced learning program, and during this period, you are expected to complete all your coursework and assessments.

Our school offers online asynchronous studies. You will receive a link to log in to the Populi platform, where all your course materials are available. You will need an electronic device and a stable internet connection to access your course materials without interruption.
