Hello and good evening Ma,

My name is Bonnie Abayomi Esan a current student with the Redeemers Christian College here in Canada.

I am presently enrolled in the Certificate Programs (Advance Certificate in Ministry). Sometimes last week, I wrote requesting for time extension to complete my program.

As it seems, I will try my best to meet the December 2025 deadline but I cannot guarantee because of health ground which requires me to travel and sometimes be on medication. I have since discussed this with my Pastor. (Pst. Oludare Ayeni) Chapel of Grace Ottawa and I believed that he has also discuss my situation with Pastor Oladejo.

So, I hereby request an additional time window after the December close of sessions.

Warm regards

Bonnie Abayomi Esan

Mary Abodunrin

Dear Abayomi, I'm sorry to hear about your health situation. It's perfectly fine to request an extension after the semester end date, although this will come with a fee. I hope you get well soon. Please take care. Blessings, Dr. Mary Abodunrin

Good day ma and how are you doing.

My name is Bonnie Abayomi Esan and I am the student that requested for accommodation due to health ground. But I am surprised to see that I was marked failed in two of my courses which I am still attending to.. Ma, please can I seek for extension as I might not be able to go with the pace due to my medical situation right now. I am healing gradually and I will need lots of time to rest.

Dear Abayomi,

So sorry about your health condition. I wish you a quick recovery. The grades you are seeing now are system generated, they will be corrected as you submit your assignments and your work is graded by the lecturer. Yes, you can have an extension; this will attract a fee.

Let me know the duration of the extension you want. You can be given 2 weeks, 1 month or 2 months extension. The fees varies with the length of time.

Please keep fit.

Blessings,

Dr. Mary Abodunrin

Hello sir,

I am sorry I should have reach out to the school before now. I have reached out before to say that I am taking a break for now on personal ground. I need to attend to matters as it relates to my health. Once this is out of the way, I will definitely reach out to the school to continue from where I stopped. Thanks for the understanding

Bonnie
