WOW I am so sorry about this. I didn't have the intention to take the class but somehow I was informed that payment was made and the class details to join were sent to us.

I would like to rectify the situation. Can I still pay at the discounted the class was offered at?

For myself and my wife Rebecca Cuma

Thank you

Good morning Sir

Happy New Year to you Sir

We received payment for you and Rebecca for RunChurch-Level 1 but not for Conflict Management in the Church.

I have evidence that you attended the class, however, the certificates were not sent because of the unpaid balance.

Thank you sir

Dear Pastor Bunmi,

I am writing to find out as I cannot find the email with the certificate of the Conflict Management in the Church we took in October 31, 2020.

We took the course, someone made the payment for us - Rebecca Cuma and John Cuma but I cannot find the copy of the certificate.

Thank you

John Cuma

Once completed, you will receive your receipt and the login details will follow shortly afterwards
