Dear Ma,

RECOMMENDATION LETTER FOR SIS OLUWASEUN AJIBADE

I trust you are doing excellently well by God's grace; God be praised.

I am writing this letter as a recommendation for **Sis Oluwaseun Tosin Ajibade** who joined us here in **City of David Sydney** about a year ago. She has **been a worker in RCCG since 2010** and continued to be a worker at **RCCG PRINCE OF PEACE, Aparadija**, when she moved to another location in Ogun State Nigeria. I have made necessary checks and confirmations with the pastor of the parish where she last served as a worker in RCCG before joining us. The name of the Pastor is **Pastor Philip Alabi**.

Shortly after she joined us and after observing her conducts and participation in church programs and activities, I interviewed her and introduced her into our ministers' forum as a minister. At first, I assigned her to be the HOD for Sunday School and Bible Study and later she became the Minister-in-Charge of the two units and the library unit.

I attest to say that there are no discrepancies from the testimonies I got from Pastor Philip Alabi to her conducts and services here in City of David. In addition, I believe she is a faithful tither and gives her offerings also. I noticed her giving in our records even when she wasn't really working. **She started work (and testified about it) in September 2023** and she has continued to be faithful in tithes and offerings. She has \$1006.00 in tithes and offerings in our records for the year 2023.

I have no hesitation in recommending her for ordination. She has been a faithful and humble servant by God's grace.

Thank you for your consideration ma.
