Dear Sir,

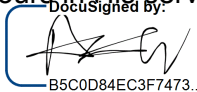

APPLICATION FOR ORDINATION AS A FULL PASTOR

Please find attached my application for ordination as a full pastor. I have been a Parish Pastor for about 12 years, and my wife and I were the pioneer pastors of the church we pastor. I was ordained as an Assistant Pastor in 2019, and it would be six years by June that I have been ordained.

Sir, with regards to the diploma in bible college, I have registered and would complete the course by April 2024, to meet the condition for a diploma before ordination as a full pastor. It would be greatly appreciated if my application to be ordained as a full pastor is granted.

Thanks for your consideration.

Yours in His service
