The Chairman,
Ordination Committee
RCCG The America Continent 2

Dear Sir,

Missing Documents

I write to inform you that some of my husband's documents got lost in transit.

He attended the School of disciples between 1985 and 1995 at the RCCG Camp Lagos Ibada Expressway, Lagos. He was ordained as a Deacon in August 1998.

However, some of our documents got lost in transit between moving homes and migrating to Canada. We have searched for the documents, but not able to locate them.

I have attached here his first ordination picture, as well as the registration slips for 2 RLI Courses.

Thank you for your understanding.
