RE: DEACON AKIN REJU

Brother Akin Reju was transferred from Lagos Province 2, ACME Parish, Ikeja family to Chapel of Mercy, Area 20 Headquarter as a member of the workforce in the year 2000.

He proved himself to be hard working in the ministry, his work was commendable. He was later selected as one of the altar ministers and he was ordained as a Deacon in 2005.

Up to the time he left the shores of Nigeria, Deacon Akin Reju is a trustworthy brethren, unassuming, dedicated to his ministry and any other assignment given to him by the leaders in the vineyard.

He has never been found wanting in his duty. And we pray, where ever he goes, the presence of God will not depart from him and his entire family. Amen

Thank you and God bless you sir,

Yours faithfully
For: Chapel of Mercy
