Dear Sir/Madam

RE: LETTER OF ATTESTATION FOR DR. LUKE AGADA

My name is Bishop Ilori Matthew Olukayode. I am pleased to testify on behalf of my brother and fellow minister, Dr. Luke Agada. Dr. Luke and I were in ministry at the Deeper Life Bible Church in Benin city, Edo state, from 1991 to 1999, when he left to join the Redeemed Christian Church of God in Benin.

At the Deeper Life Campus Church, I served as the General Co-ordinator Of the Deeper Life Campus Fellowship, During these periods, Dr. Agada worked in the church from 1991 to 1999 as an Usher, Evangelism Team, Koinonia leader, Search the Scripture teacher, Assistant Pastor and Associate Coordinator both at the campus fellowship and campus church.

He joined the Deeper Life Campus Church in 1991, and I witnessed his water baptism in 1992.

The Deeper Life Bible Church does not issue any form of a written document, such as a certificate for water baptism or pastoral assignment. I pray you to accept this attestation in your evaluation of Pastor Agada.

Don't hesitate to contact me if you have any questions or need additional information about Dr. Agada.

Thank you for the good works you are doing for the Lord

God bless.
