My Salvation journey:

I was personally witnessed to by my Brother in 1987, Pastor Adesanya Kolajo who is now PICP and Assist. Regional Pastor in Owerri, Imo State, Nigeria. That glorious day at Moyo Agoro Street, Ogba, Ikeja, Nigeria. I felt the need for God's forgiveness and salvation, and I did repent of my sins. I later enjoyed His peace and love evidencing the joy of salvation; and my life has since been transformed since then. To God be the glory!
