Dear Sir

OMISSION OF 2024/2025 SOD CANDIDATES FROM GRADUATION LIST

I humbly recommend the candidates listed below for Ordination as their SOD Certification was erroneously omitted from the list of graduating candidates during the 2024/2025 ordination period.

- 1. Oduleye Seun Abiodun (S/N. 10)**
- 2. Ogungbamila Temitope Esther (S/N. 11)**

The omission was due to the inability of their parish pastor to timely remit their fees after duly completing the required training (See attached result and financial documents).

Thank you for your attention to this matter.

Yours-In-His Service
